

Strait Regional School Board Launches Strategic Planning Consultation Process

The Strait Regional School Board has launched a Strategic Planning Consultation Process. In an effort to ensure input is received from members of our school communities, a Strategic Planning Consultation Survey has been developed. The information received from this Survey and from the various sessions that will be held during the consultation process will provide the Strait Regional School Board with valuable information as the new three-year Strategic Plan (2016-2019) is developed.

Please take a few moments to complete the [Strategic Planning Consultation Survey 2016-2019](#) posted on the School Board website, www.srsb.ca. You may either complete the survey online or [download and complete a print copy](#) at your convenience. In addition, copies of the survey are available at local schools or by contacting Regional Office at 902-625-2191. Please note that the deadline for responding to the survey is Friday, March 11, 2016.

Thank you for taking the time to share your comments and suggestions. The Strait Regional School Board appreciates your continued cooperation and support.
